

FISHKILL FARMS

CSA Application Agreement

I would like to participate in Fishkill Farms' CSA for the 2020 growing season. I understand that as a CSA member, I share the risks and rewards of the season. The weather and factors beyond Fishkill Farms' control may result in the absence of some crops stated in the pamphlet. Shares are non-refundable after the first pick-up. CSA memberships are limited and may sell out; completing this application does not guarantee membership. Limit of 6 packed shares for the season for on-farm members.

A note on packing shares:

If you are a member **picking up on the farm**, we have previously allowed shares to be boxed and picked up during hours outside of pickup. Packing shares for later pickup is not a common CSA practice and we have found the increasing amounts of packing requests to be taxing on our space, time and resources and is not sustainable for our program. We understand life gets in the way sometimes and will continue to pack shares, however, we are setting a **limit of 6 boxed shares** per shareholder. We kindly ask that you use this courtesy sparingly and only when you need to.

Please communicate that you need your share packed by sending an email to csa@fishkillfarms.com before 11:30 a.m on Saturday with your name, share size and any add-ons you may have. We cannot guarantee the availability or freshness of a packed share. We also cannot allow those who have missed a week to double up the following week as each week's produce availability is different.

Regardless of where you pick up your share, **you may always have a friend or neighbor pick up** your share during distribution hours an unlimited number of times if you are unable to do so yourself. Just let us know to expect them so we can show them the ropes!
