2022 Summer CSA Agreement

I would like to participate in Fishkill Farms' CSA share and Pick your own for the 2022 growing season. I understand that as a CSA member, I share the risks and rewards of the season. The weather and factors beyond Fishkill Farms' control may result in the absence of some crops stated in the pamphlet. Shares are non-refundable after the first pick up. CSA memberships are limited and may sell out; completing this application does not guarantee membership.

I have read and understand the agreements for being a member of the 2022 Summer CSA at Fishkill Farms & Park Slope location.
